- The Chairman and Vice Chairman are authorised to jointly consider and approve all applications in respect to changes in staff remunerations packages, including recommendations made by the ADA Lincolnshire IDBs Pay and Conditions Advisory Committee. (I think this would be useful in future)

The committee will consist of 5 members of each Board of which the required quorum is 3 members. The minutes of the meetings shall be taken by the Office Manager or as otherwise delegated by the committee.

The Chairman of the Boards shall not hold the office of Chairman of the Finance Committee.

The Finance Committee may refer specific matters to both Boards for a final decision if it so wishes.

The **Bills Committee** is a sub-committee of the Finance committee, comprising of 4 members from the Finance Committee. Each member is a signatory on the Boards bank accounts. The purpose of this Committee is to approve the Boards expenditure each month. Members receive a Bills Committee Minutes pack in advance of the meeting comprising of details of the Boards expenditure that month in relation to invoices to be paid, along with any direct debits taken from this account, transfer of funds between accounts, petty cash expenditure, weekly wages pay details and monthly salary details. One member (on a rotational basis) acts as Chairman of the Committee each month and will approve the invoices presented by signing the relevant cheques. A copy of the Minutes of each meeting is then presented to the Finance Committee at

their meetings. Any questions raised during the Bills Committee meeting are also reported to the Finance Committee.

The **Joint Services Committee** is a joint committee made up of the 5 members from each Board's Finance committee set-up for the purposes of discussing and agreeing matters that affect the shared joint administration functions of the Boards. The committee must have delegated powers from each Board to make any appropriate joint decisions.

The Joint Services Committee will meet at least twice per year. The committee will discuss, recommend (and if given delegated powers from the Boards), decide on items relating to the office and staff pay and conditions and all other matters relating to the joint services of the Boards.

In line with the Boards Standing Orders the joint committee will appoint a chairman and vice chairman from either Board that will act as Chairman and vice chairman for that committee for a one year term of the financial year, after which time a new chairman and vice chairman will be appointed chosen from the other Board.

No decisions will be made by this committee unless at least a quorum of 4 members are present. The Chairman shall have any required casting vote.

The Chairman of the Boards shall not hold the office of Chairman of the Joint Services Committee.

The Joint Services Committee may refer specific matters to both Boards for a final decision if it so wishes.

The Clerk shall be invited to attend meetings at the discretion of the committee.

4. Other Committees or Sub – Committees

4.1 The Board may appoint such Committees or Sub-Committees as it thinks fit but all acts of any Committee or Sub-Committee shall be subject to the approval of the Board unless the Board has delegated its powers to that Committee or Sub-Committee to deal with a specific issue (Standing Orders 11).

5. Chairman and Vice Chairman

5.1 The following powers are delegated to the Chairman and Vice Chairman:

- The Chairman and Vice Chairman are authorised to consider and approve, on behalf of the Board, all applications for the Board's Consent for Works that are likely to have a material effect on the flow of any IDB Designated Watercourse or Ordinary Watercourse within the Board's Drainage District (Section 23 of the Land Drainage Act 1991).

6. The Board

The thinking behind having a Schedule of Reserved Matters for the Board is that, without such a schedule, many decisions that the Board would expect to take can fall within the delegated authority of an executive, committee or joint committee. The existence of a schedule of matters reserved for the Board provides an internal safety net to ensure that these decisions have to be referred to the Board. It also simplifies the process of delegation and makes it easier for the Board to give executives and committees the powers they need to perform their functions. Broader powers can be delegated if they are made subject to the exceptions set out in the schedule. A schedule also allows corporate-wide changes to be made without having to alter the terms of delegation for each individual or committee.

No matter how effective a Board may be it is not possible for members to have hands on involvement in every area of the Internal Drainage Board's business. An effective Board controls the business but delegates day to day responsibility to the executive management. That said there are a number of matters which are required to be, or, in the interests of the organisation, should only be decided by the Board as a whole. It is therefore incumbent upon the Board to make it clear what these 'Reserved Matters' are.

6.1 The following matters are reserved to the Board for approval, notwithstanding that the Finance, Bills and Audit Committees may make recommendations thereon for the Board's consideration:

- Election of the Chairman and Vice Chairman of the Board in accordance with Standing Orders.
- Appointment of Members of the Finance, Bills, Audit Committee and Health and Safety.
- Approval of the appointments of Members to any other Board Committee or Sub-Committee.
- Approval of the Board's long term objectives and strategy.
- The setting and levying of Agricultural Drainage Rates and Special Levies.
- To approve the borrowing of any money or the repayment of any existing loans.
- Approval of the Board's Annual Accounts and Annual Return.
- Approval of the annual estimates, revised estimates, and other budgets.
- Approval of any significant changes in accounting policies or practices.
- Approval of any changes to the Board's Byelaws, in accordance with Section 66 of the Land Drainage Act 1991.
- Approval of any changes to the Board's Standing Orders and Financial Regulations.
- Approval of Board Meeting Minutes and Reports.
- The making of any Orders under Statutory Powers.
- To ensure that the Board employs and maintains a sound system of Internal Control and Risk Management, including periodic reviews of its effectiveness.
- Approving the dates, times and venues of Board meetings.
- Approving the date and programme for the Members' Annual Visit/Inspection.
- Approving all appointments to the Board's Staff.
- Approving the appointment of the Internal Auditor.

7. Urgent Matters

In the event of any matter arising which requires an urgent decision, the Clerk shall consult with the Chairman and Vice Chairman of the appropriate Board before taking any action on behalf of the Board. Any actions that have been taken in respect of urgent matters are to be reported to the Board in full at its next regular meeting.

8. Delegation – Limitations

Board Members, Committees, Sub-Committees and Officers shall, at all times, act in accordance with the Board's Standing Orders, Financial Regulations and this Scheme of Delegation and, where applicable, any other Rules, Regulations, Schemes, Statutes, Bye-Laws or Orders made and with any directions given by the Board.

9. Review Date

This document is to be reviewed periodically, as and when required, and in conjunction with other relevant Board policies.
