Communication from the Chairman of The Board

Re: Priscilla Haselhurst

It is with great pleasure that I can inform you that Priscilla Haselhurst has joined the Lower Medway Internal Drainage Board as Clerk to the Boards with effect from 1 December 2021.

Priscilla has worked within the Flood and Coastal Erosion sector for nearly 17 years and has priorly worked for the Environment Agency and more recently for Medway Council managing its Lead Local Flood Authority responsibilities.

Priscilla has recently gained Chartership through the Chartered Institute of Water and Environmental Management (CIWEM) as a Chartered Water and Environmental Manager and Incorporated Engineer and is the Honorary Secretary for the CIWEM Rivers and Coastal Group. She is also the current Association of Drainage Authorities Board Director representing Southeast IDB's.

We would like to take the opportunity to wish Priscilla every success in her role for the future.

Regards

Stuart Mair
Chairman
